Subject: RE: Application PA/337301/15 Former W H Shaw Pallet Works, Huddersfield Road, Diggle, OL3 5NX

[REDACTED]

I'm afraid we can't agree an extension on this application as we have to determine this application by 25th February 2015.

To help you, I have attached a recently received response from the applicant concerning the new school scheme and the objection letter you recently received. Hopefully, it will help you form an opinion of the sports pitch issues raised by this application.

Regards,
